The webinar will be conducted on "CAHK DT Forum".

How will 5G accelerate digital transformation of Logistics industry? In this webinar, we have invited experts from Logistics industry, 5G Operator, Cloud & Technology Solutions Provider to share the followings:

- **What are the key 5G-enabled use cases and what benefits could these deliver?**
- **What are the essential changes within the industry to unlock this transformation?**
- **What is the role for 5G Operator & Cloud Solutions Provider – how can they work with Logistics industry to increase adoption of 5G & Digital Transformation and build new revenues for the industry?**

In addition, we also invite OFCA to share the Subsidy Scheme for Encouraging Early Deployment of 5G.

Don't miss the opportunity to learn how to transform your business and capture the business growth!
