2015 HKLA Logistics Forum 洪水橋新發展區 - 未來的「智慧型物流園」

The Logistics Forum on December 11 jointly held by HKLA together with Hong Kong Polytechnic University was a great success, attended by more than 220 industry participants. Following the opening remarks from the Honourable Frankie Yick, extensive discussions were held, exploring the main topic of a SMART Logistics Park to be established at Hung Sui Kiu. Active participants included speakers from global service provider, SME service provider, air cargo terminal as well as Hong Kong Polytechnic University. No doubt, further collaboration amongst all interested parties - through an information platform enabled by the Hong Kong Government - is needed to drive the deliverables. Multi party collaboration will generate tangible operational benefits in the areas of higher efficiency and lower operation cost, as well as real time information exchange.

Ir. Dr. Patrick Lee
HKLA Chairman, Logistics Industrial Development Committee

HKLA 19th Anniversary Dinner

We had our 19th Anniversary Dinner on 18 November 2015 in the Royal Plaza Hotel. Every year, we have similar pattern of activities such as good food, lucky draw as well as a brief report of our key activities from our President. Of course the prizes are one of the key attractions for the night and most participants enjoy that moment. However, we had a special ceremony to issue a Certificate of Appreciation to our supportive corporations, namely Cathay Pacific Services Limited, DHL Aviation (Hong Kong) Limited and 7-Eleven Combined Distribution Centre-The Dairy Farm Company Limited. They have accepted our group tours for many years and their hospitality is highly appreciated. Our members' feedback is very positive and more visits will be organized in the coming year. In addition, Honorary Advisor, Mr. Andy Tung, had shared his views on the future of logistics industry with our practitioners. The Association would like to thank again all the VIPs, honourable guests and sponsors. I would also like to thank the voluntary helpers and staff who make our Dinner a success. Last but not least, the most important is our members' participation and we look forward to the big event next 20th Anniversary in 2016.

Ir. Dr. Owen Yue
HKLA Secretary General

YSHKLA Group Tour to Air Cargo Carnival on 11 October 2015

The Air Cargo Carnival held on 10-11 October 2015 provided students a deeper insight in airport logistics operations. Students were divided into 3 groups to visit three different airport facilities, including Tradeport Hong Kong Limited, Cathay Pacific Services Limited and Schenker International (H.K.) Ltd. I went to Schenker International (H.K.) Ltd., which is also known as DB Schenker. Mr Alan Pun, Manager of Airfreight Warehouse, gave us a comprehensive and delightful seminar on current logistic operations of the company and took us on a tour of the warehouse. The site visit gave the audience a good idea about the facility's operation, documentation flow and inventory control. Apart from visiting the logistics facilities, the counters at the Carnival offered students valuable opportunities to understand more about the airport in the perspective of logistics. All in all, the visit was a brilliant chance for students to engage in the field of airport and logistics.

Miss Leung Hiu Yan, Kitty
YSHKLA Chairlady

YSHKLA "Prepare Your Career in Logistics Industry" Seminar & Workshop

The workshop entitled "Prepare Your Career in Logistics Industry" was successfully held on 28 November, 2015. We were honored to have Ir. Elsa Yuen, Director of KDS Global Logistics Limited and Ms. Emily Kam, the Human Resource Manager of AbbVie Limited to share the story in the logistics industry, as well as CV writing skills and interviewing skills. With the active participation of students, this event was a great success. Positive feedbacks were received from most of the participants. They thought that this event gave them an insight on the logistics industry at the same time sharpening their CV writing and interviewing skills. Students who took part in the mock interview gained valuable comments from our guest speakers on how to improve interview performance and their CV. All in all, this event was so meaningful. As the event organizer of YSHKLA, I hope that similar events will be held again in the near future.

Miss Linda Leung
YSHKLA Committee
