LOGISTICS

Refrigerator / Freezer / Walk-In Cooler

- ☐ Chilled: 0°C -4°C
- ☐ Frozen : -18°C
- ☐ Deep Frozen: -25°C to – 45 °C

Temperature-Controlled Vehicle

- ☐ Different size:
e.g. 5.5T, 9.0T, 16T, 24T & Vans
- ☐ Different Temperature:
e.g. Chilled, Frozen, Deep frozen
- ☐ Curtain

Maintaining Temperature Integrity

Storage Environment

Ventilation system

Dehumidifiers

Pest Control

Operation

Air lock with rapid shutter

Refrigerated loading docks

Monitoring system

Temperature logger

Temperature Control Panel

Fulfilling Diversified Business Requirements

Defrosting Room

Packaging Room

Maintaining Temperature Integrity

Hardware

Truck Design

- Separated cooling engine for individual partition

Removable sensors /built-in sensor

Software

GPS

Alerting system

Tools

Thermal insulation box

Gel Pack

Dry Ice

Silver Cover

Infrastructure Uplift – Comply with Certificates

Driving Business Forward
